**O-R-D-E-R**

On July 28, 2004, in accordance with 28 U.S.C. § 636(b), the Recommendation of the United States Magistrate Judge was filed and notice was served on the parties in this action and a copy was given to the court.

Within the time limitation set forth in the statute, Petitioner objected to the Recommendation.

The court has appropriately reviewed the portions of the Magistrate Judge's report to which objection was made and has made a de novo determination which is in accord with the Magistrate Judge's report. The court therefore adopts the Magistrate Judge's recommendation.

**IT IS THEREFORE ORDERED** that Petitioner's habeas corpus petition be dismissed as time-barred. A judgment dismissing this action will be entered

contemporaneously with this Order. Finding no substantial issue for appeal concerning the denial of a constitutional right affecting the conviction, nor a debatable procedural ruling, a certificate of appealability is not issued.
